

## 1. BROMLEY COMMUNITY RESIDENTS' INC

Mr Graeme Gorton, Chairman of the Bromley Community Residents' Inc thanked the Board for its support over the past year and also for the support received from the staff of the Linwood Service Centre.

Mr Gorton raised a number of matters of concern to his organisation for the attention of the Council and applauded the Council's efforts to combat graffiti.

Mr Gorton expressed concern at the neglect and vandalism visible in the Linwood cemetery and also expressed concern at the state of the other cemeteries in the Bromley area, emphasising the need for additional funding to be provided for cemeteries in the area because they serve as public open space in this area.

The Board agreed to seek a report on these concerns from the Parks Unit and **appointed** a subcommittee of Linda Rutland, Aaron O'Brien, Liz McRostie, Bob Todd and Erin Baker to consider this report when it has been received.
