

19. WORDSWORTH STREET P5 LOADING ZONE

The Board considered a report seeking approval for the creation of a new “P5” loading zone on the northern side of Wordsworth Street between Gasson Street and Colombo Street.

The Board **resolved** that a “P5” loading zone be created on the northern side of Wordsworth Street commencing at a point 72 metres measured in an westerly direction from a point opposite the western kerblines of Gasson Street and extending in a westerly direction for a distance of 12 metres.
