

4. COLOMBO STREET: TENNYSON TO CASHMERE ROAD

The Board considered feedback from the public consultation phase regarding the project to improve cycle and pedestrian facilities on Colombo Street, between Tennyson Street and Cashmere Road.

The Board **decided** to:

1. Support the project proposed to the community.
2. Inform the City Services Committee of its support for the project.
3. Request a further report regarding the widening of the Colombo Street bridge.
