

6. TRAVIS WETLAND NATURE HERITAGE PARK

The Coast Care Co-ordinator updated the Board on developments at Travis Wetland over the 1999/2000 financial year. The Board **decided:**

1. To receive the information and request that staff continue with developments as outlined in the Travis Wetland Landscape Development Plan, in consultation with the main community interest groups.
2. To congratulate staff and the Travis Wetland Trust for their progress in development of the Wetland and for seeking additional funding.
