TOUR STOP**

The Committee considered a further supplementary report from Mr Dave Hinman, Principal Policy Analyst, and Peter Atkinson, City Streets Unit. This provided additional information to the Committee in respect to the proposal to provide for tour buses and other vehicles in Hereford Street and Cathedral Square associated with the relocation of the Visitor Information Centre to the old Post Office building and expanded on those matters which needed to be considered in respect to the previous item on the agenda (clause 20).

The Committee **received** the information and considered the report in association with clause 20 of the agenda.
