Officer responsible City Streets Manager	Author Malcolm Taylor, Area Engineer

The purpose of this report is to seek the Council’s approval to install ‘No U-Turn’ restrictions on Marine Parade at Hawke Street and at Beresford Street intersections.

BACKGROUND

Concern has been raised at motorists attempting to make U-turns on Marine Parade at the intersections of both Hawke and Beresford Streets. There is a solid median island in this section of Marine Parade that narrows the road as part of traffic calming measures to reduce motorists’ speed through this area. While making U-turns at these intersections motorists are compromising the safety of other road users.

PROPOSAL

To install ‘No U-Turn’ RG 15 regulatory signs on the centre median of Marine Parade prior to Hawke and Beresford Street intersections to improve the safety for road users in this area.

Recommendation: That ‘No U-Turn’ signs be installed in Marine Parade at the following locations:

1. For north-bound traffic in Marine Parade at Hawke Street.
2. For south-bound traffic in Marine parade at Beresford Street.
