

4. CHAPTER STREET – KERB AND CHANNEL RENEWAL

The Board considered a report from the Area Engineer regarding the proposed distribution of a publicity plan for the renewal of kerb and channel (with speed humps) in Chapter Street.

Several aspects of the proposed plan were queried and these points are reflected in the decision which follows.

The Board **decided** to recommend to the City Services Committee that the publicity plan incorporating the proposed speed humps be circulated for public comment subject to the following changes:

- the addition of a tree symbol to the key; and
- the removal of the proposed angle parking by Papanui Road.
