

## **22. WAIWETU STREET – PROPOSED GIVE WAY CONTROL**

At its meeting on 30 June the Board's Works and Traffic Safety Committee had also considered a request arising out of the meeting with residents on 29 June that a give way control be installed on the Waiwetū Street leg of its intersection with Fendalton Road.

The Area Engineer reported on the matter and supported the request.

The Board, on the recommendation of the Committee, **resolved** that a give way control be placed against Waiwetū Street at its intersection with Fendalton Road.
