(c) HEATHCOTE RIVER – ESPLANADE RESERVE

Mr Russell Simpson, 225 Hoon Hay Road, made representations opposing the proposal to develop and provide public access to the esplanade reserve on the west bank of the Heathcote River opposite Centennial Park. Mr Simpson sought retention of the status quo on security and privacy grounds. Mr Simpson advised that the esplanade reserve was currently being maintained by the adjoining property owners who were willing to continue to do this work on behalf of the Council.
