

11. TILT YOUTH'ZONE FESTIVAL REVIEW

The Leisure Manager reported on the above festival, which was an initiative of the Youth 2000 Advisory Group of Turning Point 2000. The festival was held between Friday 7 April and Saturday 15 April.

In view of the success of the festival, the report recommended that the Council, through the Leisure Unit, take over the management of the festival as an annual event for the young people of Christchurch, and that core funding of \$40,000 be sought in the 2001/02 Financial Plan round for the festival.

The Committee **decided:**

1. That the management committee be thanked for hosting a successful festival.
2. That the request for core funding for the festival be considered by the Committee at the time of the six-monthly review or as part of the 2001/02 Financial Plan process.
