

3. **RICCARTON L3 ZONE**

The Committee received a report from the Environmental Policy and Planning and Environmental Services Managers, setting out the background to concerns of the Central Riccarton Residents' Association, as to the effect of development and the character of the Living 3 zone.

The Committee **decided**:

1. That the information be received.
2. That a letter be sent to the Central Riccarton Residents' Association, setting out the background to the zoning, together with a copy of the report.
