#### 2. LYNETTE HARDY-WILLS: AIR AND NOISE POLLUTION - RICcarton

Susan Wurtzburg spoke for a group of residents concerned about noise from the Feltex Factory, and pollution from the industrial chimney here and those at the College of Education and the University.

She tabled a document on the “History of Resource Consent CRC 921738 at Feltex Factory”.

The Board **received** the report and decided that this information be passed on to the Environmental Committee.
