

**7. RICCARTON/WIGRAM WORKS & TRAFFIC COMMITTEE  
REPORT OF 16 JUNE 2000**

The Board was in receipt of the outcomes of the Works & Traffic Committee meeting held on 16 June 2000.

**1. LOADING ZONE HALSWELL ROAD**

Halswell School has requested a loading zone at the Larsens Road/Halswell Road intersection. It was emphasised that this would not be a drop off point for children but specifically for goods service vehicles, with the aim of cutting down the practice of goods vehicles double parking in the area.

**2. DOVEDALE AVENUE IMPROVEMENTS**

This item includes the work already completed in Dovedale Avenue and out into Waimairi Road. It was put forward for formal resolutions from the Community Board and the Council.

**3. BALGAY STREET AND ILAM ROAD P10 PARKING RESTRICTION**

Lynn Atkinson, Principal of Ilam School spoke of the concerns of many regarding the lack of short term parking in the area.

It was agreed to trial 10 minute parking in designated areas in Balgay Street and Ilam Road, for a maximum of six months.

**4. SH75/HALSWELL ROAD/SPARKS ROAD/HALSWELL JUNCTION ROAD  
KENNEDYS BUSH ROAD INTERSECTION  
PROPOSALS FOR TRAFFIC SIGNAL CONTROL**

The Committee requested that they be kept fully informed of the ongoing developments at this difficult intersection.

**5. ISLINGTON HEAVY VEHICLE SURVEY, BRIEF**

A survey is underway with respect to the movements of heavy vehicles in the Islington area.

The Committee agreed to endorse the survey brief.

The Board **received** the report.
