

**8. RICCARTON/WIGRAM WORKS & TRAFFIC COMMITTEE  
REPORT OF 23 JUNE 2000**

The Board was in receipt of the outcomes of the Works & Traffic Committee meeting held on 23 June 2000.

**1. HARAKEKE STREET KINDERGARTEN  
ANGLE PARKING PROPOSAL**

A draft proposal for angle parking on the Kindergarten side of Harakeke Street, between Riccarton Road and Kilmarnock Street was tabled.

A meeting to discuss the proposal with residents is being organised for 24 July 2000 at 7.00pm at the Harakeke Street Kindergarten.

**2. PARKING STRATEGY PUBLIC CONSULTATION**

Mike Calvert, Transport Engineer: Policy, from City Streets had spoken on the strategy being developed along with the Regional Council.

The Committee was encouraged to put in submissions.

It was **decided** that a special meeting of the Works & Traffic Committee on Friday 14 July 2000 would discuss this matter.

**3. WIGRAM AIRBASE - SPRINGS ROAD ACCESS**

Concerns have been raised about the size of the entry/exit point from the Wigram Airbase site into Springs Road. The Committee **decided** to write to the consultants formalising their concerns and thanking them for involving the Committee so far.
