

2. PETITION

A petition signed by 21 residents of Proctor Street and 1 resident of Main North Road (representing 19 properties) was presented to the Board. The prayer of the petition read:

"We, the undersigned, wish to lodge a complaint with the City Council concerning the parking of cars all day, on the sides of the road at the North end of Proctor Street, Papanui.

- (a) Backing out of driveways is hazardous.*
- (b) Vision is obstructed*
- (c) It is inconvenient to have both sides of the road taken up by cars parked all day.*

We request that this end of Proctor Street be designated a "Restricted Parking Zone."

The Board **received** the petition and referred it to the City Streets Unit for investigation, with a report to be made to a future meeting.
