

19. TRAFFIC SIGNALS: MAIN NORTH ROAD/RADCLIFFE ROAD INTERSECTION

The Traffic Engineer reported details of a proposal to install traffic signals at the Main North Road (State Highway 73) intersection with Radcliffe Road, adjacent to two new developments - the Northwood residential subdivision and the Supa Centa. The Board **received** the information requesting that full consultation be carried out, and asked that in future it be informed in advance of any traffic works proposed within the Shirley/Papanui area.
