

**16. TAINUI STREET HERITAGE LAMP: SPECIAL AMENITY AREA 3**

Sue Wells moved by way of amendment “*That the sum of \$1,000 be set aside for an amenity improvement in Tainui Street*”. The amendment was seconded by Lynda Carter, and when put to the meeting was declared **lost**.

The Board **resolved** that a single heritage lamp stand be installed on the corner of Tainui Street and Somerfield Street on the basis that the cost of the lamp post and installation be divided equally between the residents of Tainui Street and the Spreydon/Heathcote Community Board.
