The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The reason for this road stopping is to stop a portion of Eureka and Carisbrooke Streets for traffic management purposes as part of the Woolston/Burwood Expressway.

Approval in principle was recommended by the City Services Committee and Burwood/Pegasus Community Board, and approved by the Council at the March meetings.

The City Streets Unit agrees with this proposal. The proposed road stopping is not shown in the Notified City Plan. The land is to be landscaped together with other Council land adjoining the expressway.
