

16. CROFTON ROAD - SILVER BIRCH TREES

The Committee considered a report from the Fendalton/Waimairi Community Board meeting of 30 May 2000 which had provided information and sought comment on the request from residents for removal of silver birch trees in Crofton Road.

The Committee **resolved** that a subcommittee consisting of the Chairman, Councillors Evans and Wright, together with the Chairman of the Fendalton/Waimairi Community Board, meet on site to consider this matter and report back to a future meeting of the City Services Committee.
