

5. COMMUNITY GARDENS - STAGE 2 PROJECT OUTLINE

The Committee considered a report from Eric Park, Solid Waste Engineer, informing the Committee of the success of a Stage 1 pilot community gardening trial in reducing waste and engaging the community, and to present a draft Stage 2 project outline building on the success of Stage 1.

The Committee **decided**:

1. That this proposal for Stage 2 of the Community Gardening Project trial be endorsed.
2. That progress be reported back in due course.
