

4. BISHOPDALE MALL – MILLENNIUM CLOCK

The Asset Policy Engineer submitted an update report on the project and sought the Board's endorsement for the intended location of the clock structure in the mall.

The information was received and the Board **decided** to endorse the location of the clock as indicated on the submitted plan.

(Note: Keith Nuttall declared an interest and withdrew from the meeting during consideration of this item. Barbara Stewart as Deputy Chairman, temporarily assumed the Chair.)
