

19. SKATE JAM EVENT – FUNDING REALLOCATION

The Community Recreation Adviser reported that the intended Skate Jam event at Fendalton Mall on 7 April had to be cancelled owing to wet weather and it was proposed that the residual funding be reallocated to other related skating activities.

The Board **resolved** that the remaining \$1,900 from the rain affected skate jam be put towards the staging of skating activities for young people at the Jellie Park and Bishopdale Park skate areas, to be run during the balance of the current financial year.
