

**6. WORKS AND TRAFFIC SAFETY COMMITTEE –
REPORT OF 16 MAY 2000**

The report and accompanying recommendations of the Committee's 16 May meeting was considered and the Board **decided** as follows:

PARKING STRATEGY

That the recorded comments form the basis of the responses from both Boards to the discussion document and that it be noted that a further opportunity for input by Boards will occur at the draft strategy stage.

KENDAL AVENUE– PROPOSED RUMBLE STRIPS

That the proposal to provide four pairs of rumble strips in Kendal Avenue in the vicinity of Ambleside Drive be approved for distribution and public comment.

WILFRID STREET – REQUEST FOR KERB AND CHANNEL RENEWAL

That the information be received.

PARKHAM RESERVE – EUCALYPTUS TREES

1. That it be recommended to the Parks and Recreation Committee:
 - (a) That the existing eucalyptus trees in Parkham Reserve be retained while they remain in a healthy and stable condition.
 - (b) That protective mesh be installed on the resident's spouting at the Council's cost, if the resident wishes to take up the offer.
2. That a trees based field trip be undertaken by the Board and that staff consider and report back on the means of addressing the co-ordinated approach regarding tree retention referred to in the meeting report.

CROFTON ROAD – SILVER BIRCH TREES

1. That it be recommended to the City Services Committee that the residents' request to replace the Silver Birch trees in Crofton Road be declined.
2. That the existing trees be retained with the exception of the three Silver Birch and one Eucalyptus which should be removed in the near future.

Clause 15 (Part C) of this report details a decision also made regarding a parking restriction being applied in Aikmans Road.
