

17. BROMLEY SKATE PARK RESEARCH – FINDINGS AND RECOMMENDATIONS

Stephanie Kelly, the writer of the Bromley/Cypress Gardens Skate Facility Research Study, briefed the Board on this study and reported her key findings to the Board.

The Board resolved:

1. That the recommendations for upgrading and enhancing the Cypress Gardens/Bromley skateboard facility in both the short term and the longer term as outlined in the report to the Board, be adopted.
2. That the Community Recreation Adviser and Parks Unit staff prepare a plan for the Board for the implementation of these recommendations, outlining time frames and budget requirements.
3. That the Board write to Stephanie Kelly and thank her for the research undertaken and for her report.
