

19. PROJECT FUNDS – 2000/01

The Board considered a report outlining the proposed additional \$50,000 in project funds for the 2000/2001 year made available to each Community Board.

The Board **resolved:**

1. That \$10,000 be added to the 2000/2001 discretionary funds.
2. That the \$40,000 additional project fund be allocated to community work special projects and that staff report to the Board in August on priorities for community worker and/or support projects.
