

**5. RICCARTON/WIGRAM ENVIRONMENTAL COMMITTEE  
REPORT OF 16 MAY 2000**

The Board was in receipt of the outcomes of the Environmental Committee meeting held on Tuesday 16 May.

**1. SUPPORT FOR PhD RESEARCH PROJECT – MR PHILIP ROSS**

Mr Ross sought Board support for a research project on community participation in water pollution issues and monitoring of sites.

The Board **decided** to supply Mr Ross with a letter confirming the Board's support for this community research project.

**2. COMMUNITY OBJECTIVES**

In line with the objectives to “improve the natural and built neighbourhood environment” the Board agreed to invite Parks Unit Officers to the next meeting to discuss the following issues:

- (a) streetscape improvements
- (b) green space development
- (c) park enhancement/playground installation
- (d) project fund allocations

The Board **received** the report.
