Corporate Plan Output: Public Accountability	

The purpose of this report is to seek Council approval for some recent changes in Council representation on two outside bodies.

At its meeting on 16 December 1998 the Council appointed a number of members and other persons to represent it on a wide range of outside bodies. Councillor Sue Wells was appointed as the Council's representative on the Christchurch Civic Music Council and the Christchurch Music Centre Trust.

By agreement between the two Councillors concerned, Councillor Carole Evans now attends meetings of these two bodies in place of Councillor Wells.

Recommendation: That the Council confirm the appointment of Councillor Carole Evans in place of Councillor Sue Wells as its representative on the:

- Christchurch Civic Music Council
- Christchurch Music Centre Trust
