

14. NEW BRIGHTON WORKING PARTY UPDATE

The Community Secretary updated the Board on a submission to the Annual Plan Working Party made by the New Brighton Working Party for funding towards developments in New Brighton Mall. The Board **decided** to support the following recommendations of the New Brighton Working Party:

1. To support concept option 1 for the redevelopment of the eastern end of New Brighton Mall and a bid to the Annual Plan Working Party for an additional \$88,600 to complete this option.
2. To accept the option to convert the Council car parking area to the north of Beresford Street into parking, and to narrow Beresford Street to the south for additional parking.
3. That consideration be given to the substitution of other works and the sale surplus Council car park land to finance the car parking works.
4. To support the implementation of a housing development fund for the New Brighton area.
