

### **23. LIQUIDAMBAR TREE REPLACEMENT – MIRFIELD PLACE**

The Fendalton/Waimairi Community Board had referred a proposal for the removal of eight liquidambar trees in Mirfield Place to the Committee.

The Community Board had considered four options in consultation with the residents. The City Services Committee adopted the recommendation of the Community Board and **resolved**:

1. That Option 1 to remove the existing trees and replace them with a more suitable species be approved.
2. That semi-mature ready trees be used to reduce the impact on the streetscape.
3. That the Parks Unit undertake further consultation with the residents as to the preferred replacement species.
4. That all Mirfield Place residents be advised of the Council's decision.
