

## 10. CAVE ROCK AREA ENHANCEMENT

The Board considered a report outlining the finalised landscape plan for the reserve area around Cave Rock.

Mrs Shirley Fairhall, Chairman of the Sumner Residents' Association, addressed the Board raising a number of concerns and suggestions relating to the proposed Cave Rock area enhancements.

The Board **agreed:**

1. To support the concept plan.
2. That the matters raised by Mrs Fairhall be referred to the Design Team for this project for consideration.
