

## 10. SUPPLEMENTARY ITEM

The Chairperson referred to the following late item which had been separately circulated:

### **‘Proposed New Road and Right of Way Names’**

The Chairperson advised that it had not been possible to send this item out with the main agenda as it was not available, it was considered essential, however, that it be dealt with at the present meeting rather than being deferred to a subsequent meeting.

The Board **resolved** that the supplementary item be received and considered at the present meeting.
