

10. BELFAST ROAD - SCHOOL CROSSING ISLAND

Further to the report considered at the February meeting the Area Engineer reported, seeking approval for the construction of a pedestrian island for children attending the Belfast Primary School. A site visit was made on 16 February by Board members and Road Safety for Schools steering group representatives to observe the situation.

The Board **decided** that it be recommended to the City Services Committee:

1. That a pedestrian island be installed in Belfast Road to the east of the intersection with Shannon Place.
2. That the stopping of vehicles be prohibited on the southern side of Belfast Road commencing at its intersection with Shannon Place and extending in an easterly direction for a distance of 36 metres.
3. That the stopping of vehicles be prohibited on the northern side of Belfast Road commencing opposite the eastern kerb-line of Shannon Place and extending in an easterly direction for a distance of 39 metres.
4. That a footpath be provided in Shannon place on the side that currently does not have a footpath.
