

4. CENTRAL PLAINS WATER ENHANCEMENT STEERING COMMITTEE: MEMBERSHIP

Officer responsible Water Services Manager	Author Allan Watson
Corporate Plan Output: 9.3.13 Plans and Policy Statements Water Supply	

The purpose of this report is to obtain the Council's ratification of the membership of the Central Plains Water Enhancement Steering Committee.

Four Councillors, two from Selwyn District and two from Christchurch City, have already been appointed to the above committee and have acted in an interim capacity under the chairmanship of Councillor Harrow to agree a constitution and terms of reference and arrange selection of the balance of membership.

Following a publicly notified call for expressions of interest a short list of eight candidates was prepared and interviewing took place on Wednesday 1 March at Rolleston. The panel consisted of Councillors Harrow, Wild and Christiansen and the Water Services Manager. The five selected were:

Mr Doug Marsh
Mr Jack Searle
Mr John Donkers
Mr Willie Palmer
Mr Doug Catherwood

Recommendation: That the Council ratify appointment of the above-named candidates to membership of the Central Plains Water Enhancement Steering Committee.
