

## 7. SPEED CHECK TRAILERS

The Area Engineer and Local Programmes Team Leader advised the Board that the Chairman of the City Services Committee had recommended that a speed check trailer be purchased outright by Plant and Building Services, and that each Board allocate one-sixth share of the annual rental. This meant a contribution of \$700 per annum, per Board. As the Burwood/Pegasus Community Board had already allocated \$3,500 there was a resulting saving for the 2000/01 financial year. The Board **decided:**

1. To receive the information.
2. To reconsider options for any excess funds at its 22 May 2000 Special Meeting to formulate a submission to the draft Christchurch City Council Plan: 2000 Edition.
