

## 8. SPEED LIMIT REVIEW 2000

The Traffic Engineer, City Streets Unit, was in attendance to outline a proposal to alter existing speed limits along the new sections of the Woolston/Burwood Expressway (ANZAC Drive) between Travis Road and Bexley Road near Wetlands Grove. The Board **decided** to recommend to the City Services Committee that a 70 km/h speed limit be set on ANZAC Drive for the consistency of speed limits throughout the Woolston/Burwood Expressway.
