

6. PROGRESS REPORT ON THE REVIEW OF THE COMMUNITY DEVELOPMENT AND SOCIAL WELL-BEING POLICY

The Committee considered a report from Mary Richardson, Senior Social Policy Analyst, advising the Committee on progress with the review of the Community Development and Social Well-Being Policy.

The Committee **decided**:

- (i) That the information be received.
- (ii) To note that policy and strategy are to be developed together so it is clear from the outset how objectives are to be implemented and outcomes achieved and at what cost.
- (iii) To note that the draft policy and strategy document will be presented at the seminar set down for 13 June 2000.
