

## 8. 1999/2000 CITY STREETS ROADING PROGRAMME

Information was **received** setting out progress for roading projects in the Fendalton/Waimairi area being undertaken in the 1999/2000 financial year.

The Board indicated its support for the provision of an additional pedestrian island on Rossall Street immediately south of its intersection with Holmwood Road. Also favoured for referral to the City Streets Unit was the provision of traffic signals at the Wairakei/Aorangi Roads intersection.
