

**9. WORKS AND TRAFFIC SAFETY COMMITTEE
-REPORTS OF 18 AND 26 APRIL 2000**

The Board considered the reports and accompanying recommendations of the Committee's two recent meetings along with a tabled report from the Board Chairman and **decided** as follows.

Fendalton Road and Rossall Street/Strowan Road Cycle Lane Projects

1. That the Committee reports of 18 and 26 April 2000 dealing with the Fendalton Road and Rossall/Strowan cyclelane projects lie on the table.
2. That an early Board workshop be held to review the principles and relevant criteria associated with the planning for cycle lane projects in the community.
3. That if the workshop cannot be held within the next few weeks, the hosting of the meeting with Fendalton Road residents be delayed and the residents be advised of the reasons for this.
