The Committee **received** progress reports on the following issues:

- Progress report by Art Gallery Manager on fundraising for the new Christchurch Art Gallery
- Report by Property Manager advising that as no acceptable tenders had been received in response to the recent tender process, the land owned by the Council on the corner of Woodham Road and Pages Road would be listed for sale through Glass Miles Real Estate, to allow the property to be intensively advertised over a period of two months, being the duration of the sole agency.
- Report by Major Projects Co-ordinator on progress with completion of the QEII pools redevelopment project.
- Report by Major Projects Co-ordinator on progress with the completion of the Fendalton Library/Service Centre project.
