

## 6. SUPPLEMENTARY REPORT

The Chairman referred to the following supplementary reports, which had been either separately circulated or tabled at the meeting.

- Report on representation at NZIA National Award presentations in Auckland.
- Report by Property Projects Manager on Owles Terrace eco village proposal.

The Chairman advised that it had not been possible to circulate these reports with the agenda, for the reason that the required information was not available at that time, but that in both cases it was essential that they be dealt with at the present meeting.

It was **resolved** that both reports be received and considered at the present meeting.
