

#### 14. NZ COMMUNITY BOARD CONFERENCE LIAISON TEAM POSSIBLE REMITS

At a recent meeting of the Conference Liaison Team two issues were brought to its attention as possible subjects that could be put forward for discussion at the National Conference in Invercargill (May, 2001). These are:

1. The desirability of elected members holding both Councillor and Community Board status at the same time.
2. The issue of elected Community Board members not being required to live in the area in which they have been elected. Is this an issue?

The Board **decided** to hold this over to the next meeting.
