

## 2. DEPUTATIONS

### (b) SAY IT Youth Event, St Albans Park

Carmen Denekamp, Youth Worker, introduced the organising team for the SAY IT Youth Event, (St Albans Youth Influencing Teenagers) who proceeded to report on the recent concert held in St Albans Park. The aim of the concert was to publicise the overall problems of today's youth. The Board was advised it is proposed to hold a similar event in 2001, and the organisers would appreciate any advice and information available relating to avenues of funding assistance, advice on organising events, and ideas for sponsorship.

The Board thanked the team for their presentation and **received** the information.
