

#### 14. WASTE MANAGEMENT UNIT - REALLOCATION OF FUNDING

The City Services Committee reported, recommending that a request from the Waste Manager to reallocate surplus funds in the current year's budget to cover the following new expenditure, be approved:

- |  |           |
|--|-----------|
| (a) The Council's share of consultant's costs to Canterbury Waste Subcommittee for new regional landfill | \$50,000  |
| (b) The Council's share of Canterbury Waste Subcommittee publicity campaign                              | \$57,000  |
| (c) Disposal of contaminated soil from Shortland Street Reserve  | \$150,000 |

The Committee **resolved**:

1. That approval be given to fund items (a) to (c) from the Waste Unit's operational surplus.
2. That the request for an additional \$57,000 for landfill publicity for 2000-01 be considered by the Annual Plan Working Party.
