

5. **SANDOWN CRESCENT/CARISBROOKE STREET PEDESTRIAN ACCESSWAY**

The Area Engineer reported in response to a request from Mike Heslin of 50 Sandown Crescent to the Board's Chairperson for the closure of a pedestrian accessway in Sandown Crescent, Aranui. The report noted that the legal title for the alleyway has been held by the State since 1961. The Board **decided** that it would undertake an inspection of the alleyway and consult with residents in the neighbourhood before making a decision.

[Gail Sheriff requested that her vote against the resolution be recorded.]
