

17. AFTER SCHOOL PROGRAMME FUNDING

The Board considered a report outlining the progress of the Bromley After School Programme and the Linwood After School Programme and advising that, with the Board's approval, the funding set aside for these programmes could now be used.

The Board **resolved:**

1. To approve the release of the project funds set aside for the Bromley After School Programme and the Linwood After School Programme, to allow delivery of the programmes for the second half of the 2000/01 financial year.
2. To write to the Bromley and Woolston Development Project organisers commending them on the successful programmes which have been arranged.
