

4. DEPUTATIONS BY APPOINTMENT

(b) Brian Seque – In-line Roller Hockey

Brian Seque is the President of one of the three in-line roller hockey clubs in Christchurch. The total membership of the clubs is 500, and the age of the players ranges from 8–14 years old. Brian is part of a steering committee, speaking to boards and other interested parties about finding an indoor facility for the young people to practise and hold competitions. There is a commercial facility in Christchurch, but the costs to use it are prohibitive. The clubs are effectively looking for an empty warehouse as a facility, and it would be run as a charitable trust. There is currently a feasibility study under way, to confirm that the support is there. This report will be forwarded to the Board. The chairperson stated that staff would advise Brian of the appropriate people to speak to at the Civic Offices.
