

#### 4. DEPUTATIONS BY APPOINTMENT

##### (c) Les Sands – Kainga Residents Association

Les Sands spoke to the Board regarding the recent trouble with speeding cars and hoons using the riverbank at Kainga. The Association would like to put some signs at either end of Kainga, with the words 'Welcome to Kainga' and 'Zero Tolerance Area'. There was some discussion amongst Board members on what 'zero tolerance' referred to and whether signs would be effective. A similar problem occurred in Spencerville, however the river banks there are now well fenced off. The Chairperson asked that staff report on costings of these signs to the next Board meeting.
