

#### 4. DEPUTATIONS BY APPOINTMENT

##### (f) **Rex McGill – Resident from Brooklands**

Rex spoke to the Board about the power outages occurring at Brooklands, highlighted by the recent storm event. Rex would like to know whose responsibility it is to communicate with the Brooklands residents about the power outages at the time they happen, and would like to know why they are constantly occurring. Is there a weakness somewhere that residents could be made aware of. The Chairperson requested a report from staff regarding the service provider, and suggested they come and speak to the Board about this issue.
