

18. SOMERFIELD RESIDENTS' ASSOCIATION

The Board considered a report outlining how, through supporting the formation of the Somerfield Residents' Association, it could also meet its objectives for the 2000/2001 financial year.

The Board **resolved** that:

1. Subject to a successful application for incorporation, the Board formally recognise the Somerfield Residents' Association as an official residents group of the Spreydon-Heathcote area.
2. The current boundaries of the Spreydon Ratepayers and Residents' Association be amended to accommodate the formation of the Somerfield Residents' Association (as per the map attached to the agenda).
3. Lynda Carter be appointed to act as liaison person with the Somerfield Residents' Association.
