

21. ARANUI COMMUNITY RENEWAL PROJECT

The Community Advocate sought funding for the initial consultation in the Aranui community, in association with the Council's Property Unit and Housing New Zealand, on the preparation of a community renewal strategy for the suburb of Aranui. It was **resolved** that a provision of \$2,000 be made from the 2000/01 Discretionary fund as the Board's contribution to the consultation process to be initiated within the Aranui community.
